

# A Cascading, it is

Category: Poems

written by Steve Wilson | November 17, 2023

to watch his memory falter,  
fail. Light fades and falls. Dark  
to watch his memory falter –  
Cans of beans: gone. Toothpaste.  
A shoe, bills, a sister –  
to watch his memory falter,  
fail. Light fades, and falls dark.
